Hi. My name is Jared and I am looking for a place to pitch my blue and gray 7 by 9 tent and run an extension cord to. I will pay 30 dollars a week or 120 per month and negotiable. No house access needed. I have a cleaning business (All Clean) and am quiet and responsible. I am very handy also and will work trades, too. I am also looking for a room and garage or shed ideas to. I do excellent work. Thank you for your consideration.
